SUBJECT INDEX

Abdominal
  ascites, laparoscopic investigation 105; letter 1360
  delivery *See* Labour and delivery
  pain *See also* Pelvic pain
    ilioinguinal nerve entrapment syndrome, surgical treatment 1080
    in young women associated with STD 473
    of unknown origin in pregnancy, effect on outcome 688
  peritoneum
    peritoneal keratin granuloma, case report 236
    peritonitis after laparoscopy due to injury to a vesicourachal diverticulum, case report 365
    problems of access in treatment of ovarian cancer 97
  pregnancy *See* Pregnancy ectopic
Abortion *See also* Miscarriage
  in second trimester
    cervical preparation with Foley catheter and PGE pessary compared 1432
    induced with intrauterine PGE_2, analysis of 2308 procedures 1424
    reducing late abortions, commentary 132
  induction in early first trimester using epostane 340
  induction of labour after fetal death
    RCT of two sulprostone regimens 1400
    using gemeprost pessaries 745; letter 1245
  menstrual regulation by intramuscular sulprostone, multicentre study 207
  recurrent miscarriage *See* Miscarriage
  spontaneous *See* Miscarriage
Abuse physical and sexual by spouse, gynaecological impact, Norwegian study 1379; commentary 1369
Addisonian crisis in pregnancy, case report 1348
Albuminuria, assay in late pregnancy 619
Alcohol, maternal and paternal consumption, role in miscarriage 188
Aldosterone intermittent secretion during pregnancy 80
Alkylating agent, postoperative therapy in early epithelial ovarian cancer 353; letter 1007
Alpha-fetoprotein (AFP)
  cord serum levels and maternal insulin-dependent diabetes, short report 1450
  fetal serum concentration and growth retardation, short report 1233
  maternal serum levels
    elevated levels associated with decreased zinc and selenium levels 61
    low levels at 10 weeks and Down's syndrome 499
    screening for Down's syndrome 52
  screening for NTD, factors influencing uptake 739
Amenorrhoea *See* Menstrual cycle
Amniotic fluid
  amniocentesis for Down's syndrome, factors influencing uptake 739
  amnionitis/chorioamnionitis
    and preterm labour 314; PGE production 1133; subclinical infection with *G. vaginalis* 489; commentary 1128
  meconium aspiration syndrome, a 6-year retrospective review 411
  urogastrone and phospholipid levels 171
Amniotomy for induction of labour, no effect on endogenous oxytocin concentration 945
Analgesia/anaesthesia
  epidural for CS, associated haemodynamic changes 642
  local, lidocaine-prilocaine cream for vulval biopsy 497
  paracervical lignocaine for laser ablation, RCT 1410
Anorexia nervosa, effect on skin thickness, collagen and bone density 1392
Antibodies, monoclonal
  anti-EMA, AGF 4:48 binding to ovarian carcinomas 854
  effects of intraperitoneal radioimmunotherapy in 28 women with ovarian cancer 529
  immunohistochemical determination of ovarian tumour 'growth fraction' 720
  usefulness in diagnosis and treatment of epithelial ovarian cancer, review 516
Antigens
  CA 125 serum levels
    in acute PID 575; letters 1246, 1249
    half life, prognostic significance for response to chemotherapy in ovarian cancer 1395
  tumour-associated *See* Tumours
Artificial insemination *See* Infertility
Ascites investigation, place of laparoscopy 105; letter 1360
Asherman's syndrome
  after postpartum curettage, case reports 102
Atrial natriuretic peptide, circadian variation in hypertensive pregnancy 922

Bacterial infections
  intrauterine associated with preterm birth 314; 1133; commentary 1128; *Gardnerella vaginalis*, case report 489
  pelvic inflammatory disease (PID)
    epidemiology and trends in hospital discharges 1975–1985, England 1219
    Salmonella panama in PID, ciproflaxin therapy, case report 120
    severity correlated with serum CA 125 levels 574; letters 1246, 1249
  peritonitis after laparoscopy, case report 365
  sexually transmitted diseases
    Neisseria gonorrhoea and *Chlamydia trachomatis* infection associated with abdominal pain 473
    prevalence, letter 251
    screening practices in semen donors in UK clinics 461
    syphilis, antenatal screening 1005
  tuberculous meningitis in pregnancy, diagnosis and treatment 233
  vaginal flora effect on pH and preterm delivery 183
Basilar migraine in pregnancy, case report 494
Beta-mimetics *See also* named agents
  survey of use in France 44

bed rest in prevention of preterm labour in twin pregnancy 850
betamethasone to prevent RDS 401
domiciliary antenatal care, effect on hospital admissions 1319
effect of external cephalic version in late pregnancy on presentation at delivery 916
ethinyloestradiol for cervical ripening 973
guidelines for reporting studies 383; 389; 397
labetalol on fetal outcome in hypertensive pregnancy 38
medroxyprogesterone and psychotherapy for the treatment of pelvic congestion 1153
social support in pregnancy effect on outcome 281
suture materials and techniques for perineal repair 1272; meta-analysis 1281
two sulprostone dose regimens for inducing labour after fetal death 1400
ultrasound and pulsed electromagnetic energy therapy for perineal trauma 434
Rat embryo cultures, teratogenic effect of NTD affected pregnancy serum 33
Reformatted CT of the the normal female pelvis 1047
Reporting results, guidelines for observational studies 383; screening and diagnostic tests 389; controlled trials 397
Rheumatism, polymyalgia/giant cell arteritis of the genital tract, case report 1356

Salivary aldosterone concentration in pregnancy, diurnal variation 80
Screening and diagnostic tests, guidelines for reporting results 389
Secretin, serial plasma levels in normal pregnancy 424
Selenium and zinc status in NTD-affected pregnancies 61
Sexual problems associated with physical abuse by spouse, Norwegian study 1379; commentary 1369
Sexually transmitted diseases
human immunodeficiency virus (HIV)
antenatal screening policy 135; commentary 129; letter 1247; audit of attitudes 1405
congenital infection in the Bahamas 140; commentary 129
infection in young women with abdominal pain 473
screening in semen donors, survey of UK practices 461
syphilis, antenatal screening 1005
Skin thickness and collagen content, effects of anorexia nervosa 1392
Smoking
before and during pregnancy, effects on placental vasculature 907
in pregnancy effect on maternal hCG and oestradiol levels 92
Social support
domiciliary antenatal care, effect on hospital admission 1319
effect on pregnancy outcome, commentary 260; RCT 281; longitudinal study 289
need for follow-up service after miscarriage, short report 743
Socio-economic status and pregnancy outcome, Australian study 298; 308
Sodium, plasma atrial natriuretic peptide, circadian variation in hypertensive pregnancy 922
Sound-provoked fetal movement 562; 566
Spermatozoa

antisperm antibodies in subfertile men, clinical markers 107
cryopreserved for IVF with donated ova 1071
semen donors, survey of screening practices for excluding STD 461
Spleen, rupture associated with ovarian granulosa cell tumour, case report 735
Stamey and sling procedures for treatment of GSI 213; in elderly women 983
Sterility *See* Infertility
Sterilization laparoscopic, en masse 1025; commentary 1019
Sulprostone
for early pregnancy termination, multicentre study 207
RCT of two dose regimens for inducing labour after fetal death 1400

Thyroid, neonatal thyrotrophin levels related to mode of delivery 1224
Tumours *See also* Carcinoma
aggressive angio-myxoma of the vulva, letter 1459
-associated antigens
CA 125 serum levels elevated in PID 574; letters 1246; 1249
usefulness of monoclonal antibodies, epithelial ovarian cancer, review 516; 529
granulosa cell tumour of ovary in association with splenic rupture, case report 735
invasive macroprolactinoma associated with prolonged oestrogen HRT, case report 1440
leiomyoma (uterine fibroids), buserelin therapy 200; cystic fibroid, case report 992
melanoma and pregnancy, long-term follow-up 1419
ovarian cysts, needle aspiration 1035; 994; commentary 1021; ultrasound diagnosis 1076
persistent ovarian masses in asymptomatic women 1384
phaeochromocytoma associated with pregnancy, review of case reports 594
virilizing nodular stromal hyperthecosis, case report 1095
Twin pregnancy
monozygotic, pathophysiology, diagnostic and Doppler FVW studies 1413
prevention of preterm labour by bed rest, RCT 850
pulmonary oedema and salbutamol in preterm labour, case report 1445
Turner's syndrome
associated with normal outcome of pregnancy, case report 876
association with polycystic ovaries, case report 613

Ultrasound
audit of use in obstetric practice, France 44
diagnosis of
cystic lesions in elderly women 1076
endometrial pathology, postmenopause 1333
postpartum pleural effusions in pre-eclampsia 431
Doppler flow velocity waveforms
dorsal pedis and radial arteries during labour 70
fetal cerebral arteries 845
umbilical artery: in labour 151; in placental abruption 254; monozygotic twin pregnancy 1413; terminal fetuses, letter 369; discordant, short report 1449; screening for SGA 557; 692; 803; 1163; relation with blood viscosity 960; 1168
uterine artery in non pregnant women 588
uteroplacental artery; for antenatal screening 1163; reference ranges 1040
fetal measurements
abdominal circumference for fetal SGA 803
femur length, predictive for Down's syndrome 1373; commentary 1369
inter-observer variation 1261
-guided ovarian cyst puncture 1035; 994
-guided placental biopsy for chromosome analysis 1215
predictive value in threatened miscarriage 1182
scanning for ovarian masses in asymptomatic women 1384
screening for Down's syndrome, commentary 1369; using femur length 1373
therapy for perineal trauma RCT 434
transvaginal
assessment of endometrial growth during menstrual cycle 954
diagnostic for placenta praevia, case report 117; letter 881
Umbilical cord
artery, blood flow velocity waveforms
correlation with blood viscosity 1168; 960
discordant waveforms and pregnancy outcome, short report 1449
in labour 151
in monozygotic twin pregnancy 1413
in placental abruption, letter 254
in terminal fetuses, letter 369
predictive value for fetal risk 557; 692; 803; 1163
blood viscosity correlation with umbilical artery FVW 960; 1168
cordocentesis, commentary 262
plasma leukotriene concentration, effects of mode of delivery 88
plasma thyrotrophin levels related to mode of delivery 1224
routine measurement of lactate and pyruvate, protocol 861
serum AFP levels and maternal diabetes 1450
Urinary tract
detrusor instability
associated with menstruation, case report 737
biofeedback therapy using bladder neck conductivity 821
correlation with bladder neck electrical conductivity 816
oxybutinin *vs* propantheline therapy 607
genuine stress incontinence (GSI)
aetiology, role of pudendal nerve damage 29
and prolapse, histopathology of pubococcygens muscle 15; neurophysiology 24
clinical and urodynamic effects of the Slamey and sling procedures 213; in elderly women 983
vaginal cone therapy, letter 752
Urogastrone (epidermal growth factor) and phospholipid amniotic fluid levels 171
Uterus *See also* Endometrium
abnormal premenopausal bleeding, diagnostic value of D & C, short report 496; letter 1246
carcinomas/tumours
fibroids, buserelin therapy, long-term follow up 200
revised FIGO staging 889
stage 1, discrepancy between curettage and hysterectomy histology 478
changes in connective tissue during ripening and labour at term 1198
hysterectomy, audit of associated prophylactic oophorectomy 510; commentary 506
hysteroscopic endometrial ablation with the neodymium-YAG laser 928
intrauterine adhesions after curettage, laser vaporization, case reports 102
myometrial contractility, effect of leukotrienes, in vitro study 568
rupture of the gravid uterus, outcome of subsequent pregnancies 942; letter 1361
uterine activity in labour
after previous lower-segment CS 933; 939
ethnic differences 1203
hormonal aspects 1108
uterine artery, Doppler time velocity waveforms in non pregnant women 588
uteroplacental arteries
Doppler FVW, reference ranges in second trimester 1040; predictive value for SGA fetuses 803
histopathology in hypertensive pregnancy in relation to birthweight 835

Vagina
agenesis, construction of neo-vagina from rectus abdominus 1089
bleeding in children, aetiology, 20-year review 467

candidiasis, comparative effects of single-dose fluconazole or 3-day vaginal clotrimazole 226
pH during pregnancy and preterm delivery 183
perineal trauma/repair
glycerol-impregnated catgut/associated with dyspareunia 740
healing, RCT of ultrasound and pulsed electromagnetic energy 434
RCT of suture materials and techniques 1272; meta-analysis 1281
vaginal cones therapy for stress incontinence, letter 752
vaginal examination at antenatal booking (letter) 624
vaginal retractor in repair of high obstetric trauma 1003
transvaginal ultrasound
assessment of endometrial growth during menstrual cycle 954
for diagnosis of placenta praevia, case report 117; letter 881
Vibroacoustic stimulation fetal response 562; 566
Virus infection
herpes simplex infection in newborn, commentary 1015
human immuno-deficiency virus (HIV)
congenital infection in the Bahamas 140; 1247
infection in women, commentary 129; letter 1247
testing in antenatal clinics, survey of attitudes 1405
transmission by heterosexual contact, antenatal screening policy 135
parvovirus B 19 infection in pregnancy, fetal effects, review 764; fetal pathology 768
rubella infection in pregnancy, commentary 887
STD, screening practices in semen donors, UK survey 461
Vulva
aggressive angio-myxoma, letter 1459
biopsy, topical anaesthesia with lidocaine-prilocaine cream, short report 497
carcinoma, revised FIGO staging 889
Darier's disease, case report 999
deep and acute ulceration, case report 1351
intraepithelial neoplasia management and outcome 1339

Warfarin-induced fetal diaphragmatic hernia, case report 729
Wormeveer study, midwifery in the Netherlands 656

Zinc and selenium status in NTD-affected pregnancies 61

LIST OF REFEREES

In addition to the Members of the Editorial Board the following have assisted the Journal by acting as referees in 1989.

Professor Eva Alberman
Dr Lindsey Allan
Dr Malcolm Anderson
Professor D. T. Baird
Mr D. H. Barlow
Professor R. Beard
Professor M. Bobrow
Professor J. Bonnar
Professor H. A. Brant
Professor L. Brent
Dr Fiona Broughton-Pipkin
Professor R. F. Burrows
Professor Stuart Campbell
Dr Linda D. Cardoso
Dr Susan K. Cole
Professor Dulcie Coleman
Professor I. D. Cooke
Mr K. J. Dalton
Mr John Davison
Professor Geoffrey Dawes
Professor W. Dunlop
Dr D. K. Edmonds
Professor M. G. Elder
Professor Murray Enkin
Mr G. Marcus Filshie
Mr N. Fisk
Professor Harold Fox
Mr R. Fraser
Mr Adrian Grant
Dr J. M. Grant
Mr J. Guillebaud
Dr Marion H. Hall
Mr M. J. Hare
Professor K. Harrison
Mr M. M. Henry
Professor P. W. Howie
Professor C. N. Hudson
Prof David Hull
Professor Dame Rosalinde Hurley
Dr D. J. Jeffries
Professor M. J. N. C. Keirse
Professor A. Klopper
Dr John Lamont
Dr Joanna Lambert
Dr M. Landon
Dr Elizabeth Letsky
Mr B. V. Lewis
Mr R. J. Lilford
Miss Alison MacFarlane
Mr Ian Mackenzie
Professor Sir M. C. Macnaughton
Mr A. Magos
Mr M. Maresh
Dr H. Meire
Mr J. M. Monaghan
Professor James Mowbray
Dr Patricia Munday
Dr Robert Newcombe
Mr Kypros Nicolaides
Mr P. M. S. O'Brien
Mr J. M. Pearce
Dr Colin Pritchard
Mr D. W. Purdie
Dr Ian Douglas Ramsay
Dr C. Redman
Dr Margaret Rees
Dr Jonathan Reeve
Dr Felicity Reynolds
Dr W. Richmond
Dr Rodney Rivers
Professor Charles Rodeck
Dr Eve Roman
Dr Deborah Rosenblatt
Mr Patrick Royston
Professor Peter Rubin
Dr G. J. S. Rustin
Dr I. L. Sargent
Professor R. Shaw
Mr Albert Singer
Mr C. J. G. Sutton
Professor Malcolm Symonds
Dr A. Tabor
Mr Derek Tacchi
Dr David Taylor Robinson
Dr M. Tunstall
Professor Sir A. C. Turnbull
Professor M. Vessey
Professor N. Wald
Mr D. W. Warrell
Mr M. I. Whitehead
Dr A. G. Whitelaw
Mr M. J. Whittle
Dr Eve Whiltshaw
Professor R. M. L. Winston
Professor J. W. Wladimiroff
Mr Simon Wood
